OUR VISION

A community where all children are safe and free from abuse.

OUR MISSION

Bivona Child Advocacy Center delivers excellence in child abuse response, healing and prevention through collaborative service, awareness, education and leadership.

A MESSAGE FROM

OUR PRESIDENT & CEO

While 2022 was a year of transition for Bivona Child Advocacy Center, the multi-disciplinary team of amazing professionals did not miss a beat in their service to the children and families of our community. Bivona Child Advocacy Center is the resource in our community for children who have experienced the unimaginable trauma of abuse. Now, more than ever, our children need our support. At Bivona Child Advocacy Center, we have a model that relies on the power of partnership to provide a comprehensive response to help children and their families heal and thrive. Our 23 partner agencies share a long-standing and deep commitment to creating hope and to having a vision that our community is a place where children are safe and free from abuse.

When a child comes to us hurting, it is our goal to restore hope. Hope is the light in a child's eye that is a spark for their entire future. That light is the beacon that determines what paths they go down, how they spotlight success, and how they experience happiness. We see the outcomes every day in our community of what is happening to children who grow into teens and young adults without this hope being fostered and restored. The team at Bivona Child Advocacy Center works together as a collective each day to restore hope to the children we interact with.

We provide this report to the community and urge a continued call to action because we are not done yet. There is so much work to be done and we must double down on how we support the restoration of hope for our children. We want to reach more children, parents, and all professionals working with children and youth to push harder on prevention efforts.

As we enter a new phase of planning responsive and proactive strategies to keep children safe, the team at Bivona Child Advocacy Center is here. They never stop working, and each day reaffirms our pledge to be the ONE safe place that children can come to get the abuse to stop, justice to be served, and healing to begin. How we treat our children is how we want our world to be. I hope you will continue to join us in prioritizing the children in our community.

CHILDREN & FAMILIES

Children and families always come first. We support those who come seeking hope and healing.

GETTING IT RIGHT

We are driven to get things right. We take pride in our practice, knowing it comes from the latest and best knowledge in our field.

Youth + Caregiver Feedback

Bivona Child Advocacy Center maintains accountability to our mission and standards by surveying clients and multidisciplinary team members on a regular basis. What does this mean for children and families? It means all of us are working together to provide the support children and their caregivers need to thrive and heal.

"In the waiting area, the toys, decor and the colors make the space feel welcoming and safe." - Youth

"At the time of our first visit, although it was very difficult, the staff was excellent and very supportive." - Caregiver

"I liked that they had drinks and snacks in case I was hungry." - Youth

HEALING

"They made me feel safe."

-Youth

"I appreciate that my child was made to feel safe and comfortable at all times and knew she could reach out anytime she needed to talk."

A Bivona Child Advocacy Center client is any child victim of sexual or physical abuse, and child family members, who have received services as defined by the MDT Guidelines at Bivona Child Advocacy Center or off-site locations at any one or more of the collaborative partner agencies (identified as signatories on the MOU).

OUR STRATEGIC INITIATIVES

In 2020 Bivona Child Advocacy Center adopted a three-year strategic plan, strengthening our mission and expanding our services. We have been committed to these five strategic initiatives through the end of this year.

Here's what we did in 2022...

1

EXPAND TRAUMA-SPECIFIC MENTAL HEALTH SERVICES TO MEET THE NEEDS OF THE POPULATION SERVED

We continued to grow priority-referral relationships with qualified mental health providers to support children who need healing services.

2

MAINTAIN AND GROW A STABLE AND HIGH-PERFORMING STAFF

We committed to providing a robust Human Resources function to support our growing staff and ongoing recruitment efforts.

3

DIVERSIFY AND GROW FUNDING STREAMS

Our partnership with Monroe County continued to grow in support of our Mental Health Services. Additionally, we were awarded a federal earmark in support of our Community Education Program.

4

ENSURE COMMUNITY ACCESS TO MULTIDISCIPLINARY TEAM SERVICES

We made sure all clients were seen at the facility despite several partner agencies experiencing staff vacancies. We put extra effort into working closely with family advocates so that families had the appropriate support as soon as possible while they navigated the process for healing and recovery. This contributes to the accessibility and streamlining of important services to families struggling with where to turn for help when they learn a traumatic event may have occurred.

5

INCREASE THE ORGANIZATIONAL ROLE IN ABUSE PREVENTION EDUCATION

Community Educators provided the Monique Burr Foundation's Child Safety Matters® curriculum to 22 school districts during the school year to reach 50,000 students. We recognized the need for a children's curriculum for students with intellectual and developmental disabilities. We created an I/DD Facilitator Adaptation Guide to accompany the lessons and piloted the material with 600 students.

“ The Golisano Foundation is dedicated to making the world a better place for people with intellectual and developmental disabilities. We're grateful that Bivona Child Advocacy Center and The Monique Burr Foundation for Children have prioritized the safety of students with intellectual and developmental disabilities. All students, regardless of ability, deserve to be educated and empowered with information and strategies to prevent, recognize, and respond appropriately to unsafe situations.”

We are proud to share that Bivona Child Advocacy Center has earned our ninth consecutive 4-star rating from Charity Navigator. Only 5% of the charities evaluated by Charity Navigator have received at least 9 consecutive 4-star evaluations.

This is the highest possible rating and indicates that our organization adheres to sector best practices and executes our mission in a financially efficient way. Attaining a 4-star rating verifies that Bivona Child Advocacy Center exceeds industry standards and sets us apart from our peers and demonstrates to the public our trustworthiness.

Bivona Child Advocacy Center has received a Platinum rating from Guidestar. The Platinum Seal of Transparency is the highest level of recognition and is only designated to 15% of charities nationwide. GuideStar is the world's largest source of nonprofit information.
